

# P.E. Department To Sponsor A.Y.H.

## Dance To Be Held After Santa Clara Court Game

**Stags Welcome Friday Night; Afternoon Dance Off**

**Music By Anderson's Truckin' Tramps Is Promised**

An "after the game" hop, the only affair of its kind to be held this quarter, will be staged tomorrow evening from 10 p.m. to midnight in the women's gym following the State-Santa Clara basketball game in the Civic Auditorium. Stags are being welcomed to the truckfest, which is being held in place of the afternoon dance previously scheduled.

Dick Anderson, who has played for numerous campus social affairs, and his Truckin' Tramps will provide captivating rhythms for the hop which is expected to swell the gym.

Personal invitations are being extended to members of the faculty with a special section being reserved for them. Student admission to the strut will be 10 cents with a student body card.

Plans were made at a meeting of the social affairs committee yesterday to hold additional informal radio dances in the Spartan Union on Friday evenings when no other campus social or sport activities are scheduled. Dancing will be to the music of nationally famous organizations and will last from 9 until 12 p.m. A list of the orchestras will be published in the Daily on the previous Thursdays.

With the exception of the regular student body dances, the remaining dances will come in the afternoon.

## FRESHMEN TO HOLD MEETING

**New Officers Will Be Elected Today At Eleven O'clock**

Members of the freshman class will meet today at 11 o'clock in the Morris Dailey Auditorium for this quarter's most important meeting, according to an announcement from freshman class officials late yesterday.

New officers for the present quarter will be elected, according to Dean Goddard, adviser for the class. Coming activities for the winter and spring quarters, including a huge frosh-sponsored dance, will also be discussed.

## PETERSON LEAVES FOR STATE MEET

Dr. P. V. Peterson, head of the science department of San Jose State college, will leave for Sacramento Friday to attend a statewide meeting on the scope and sequence for the elementary sciences.

Dr. Peterson will be accompanied by Dr. Fred Anibal, a member of the educational department of Stanford.

## DEGROOT RECEIVES ANSWER IN REGARD TO BRONCO GAME

**Telegram Interpreted As Meaning That A State-Santa Clara Grid Contest Is Unlikely This Year**

By JIM CRANFORD

"Coach Dud DeGroot: San Jose State College San Jose, Calif. Chairman of board advises no definite answer can be given until late this month. Suggest you do not withhold commitments with other opponents on our account. Sincere thanks and warmest regards. Buck Shaw, University of Santa Clara Special Train, Kansas City, Missouri.

That was the answer received by Coach Dud DeGroot early yesterday morning concerning the status of the University of Santa Clara-San Jose State football game for 1938.

However, with this indefinite answer, Coach DeGroot is going ahead with his '38 schedule, leaving two dates, Sept. 24 and Oct. 15 open if Santa Clara decides to put San Jose on their new schedule. The popular football mentor said, "If any team is scheduled on these two dates listed above, other than Santa Clara, they will be given the understanding that if Santa Clara chooses to play San Jose, their game will be dropped."

The action that Buck Shaw's telegram expressed was expected locally because the remarkable showing turned in this year by the Mission outfit made it evident that the Bronco mentor would be seeking more profitable competition, namely, nationally known football aggregations. In which case, provided that larger schools actually were signed, the opinion was, that the San Jose game be on the "definitely doubtful" list.

## Speech Clinic's Quarters Are Moved

Headquarters for the Speech Clinic have recently been moved, due to the increasing number of students wishing help on their various voice and speech problems. Former offices, located in Room 159 have been changed to Rooms 57 and 63 downstairs.

"Many more students are now coming for help on their speech difficulties of their own accord," Dr. Margaret Letzter, head of the clinic, declares, "and we wish to extend an invitation to other students who feel they would like help on any speech problems."

## REGISTRATION BOOKLETS

Those students who have yet to turn in their Registration booklets are requested to do so before the close of the week. They will not be registered in college, and will be otherwise attending school for no benefits towards graduation.

## State Players In Farce Of Russia

With Jean Holloway, Bill Jennings, May McBride, and Frank Wilson in the leading roles, "Squaring the Circle", a farce of love, housing, and divorce under Soviet Russia's first Five Year Plan, will be presented by the San Jose Players January 26, 27, and 28 in the Little Theater.

Written by the Russian playwright, Valentine Kataev, the uproarious farce moves rapidly from one complicated situation to the next.

Jean Holloway has the part of Ludmilla, wife of Vasya, (Bill Jennings), while May McBride plays the role of Tonya, the bride of Abram (Frank Wilson). These four are in search of a new code of love, romance, and morality amid crowded housing conditions.

Important supporting players are John Knight, as a young poet, Francis Pearson in the role of Rabinovitch, a Jewish communist, and Victor Carlock as Novikov, a Soviet organizer. Others in the cast include Etta Green, June Falcone, and Eileen Brown.

The play will be directed by Mr. Hugh Gillis of the Speech department. Students may secure tickets by presenting their student body cards at the Controller's office.

## Youth Hostels To Be Subject Of Meeting Planned For Tuesday

**Betty Blodgett, National Field Worker, Will Speak Tuesday**

## Deep Sea Ride Still Being Planned

**Pleasure Yacht To Be Sought By Van Vleck**

The much-discussed boat ride still hangs heavy, heavy over the heads of San Jose State college students.

Such was the contention of Boat-ride Chairman Bill Van Vleck who late yesterday stated that plans for the deep sea outing were not in the discard. Van Vleck believes there is a possibility of obtaining a pleasure yacht other than those owned by the Southern Pacific. Southern Pacific officials, according to Van Vleck, have definitely discouraged any possibility concerning the renting of one of their numerous ferries.

"It seems that all of their ferries are chartered for the coming year," Van Vleck stated. "With the Southern Pacific definitely out, we will turn our attention to obtaining a boat from some other company."

Van Vleck and Jack Marsh plan to motor to San Francisco some time this week in an effort to obtain a pleasure launch for the "Deep Sea Frolic", set tentatively for March 5.

## Elections Occupy Seniors At Meet

Two run-off elections, one for the office of vice-president and the other for the office of secretary, will be held this morning when the senior class holds its second meeting of the quarter.

Running for the vice-presidency are Bob Free and Curtis Gross with Marion Ruge and Florence Barrett running for office of secretary-treasurer.

Class officers elected at the first gathering of the class last Thursday include Aldur Thurman, track man, president; Edith Norton, A.W.S. representative, and Philip Weed, sergeant-at-arms. Run-off elections will be conducted by Prexy Thurman.

## United States Already Has 110 Groups Established

By MARY MONTGOMERY  
The nation-wide movement of American Youth Hostels, Inc. is being launched in this community with a meeting and luncheon to be held next Tuesday morning featuring Miss Betty Blodgett, national field worker for the AYH. The Women's Physical Education department is sponsoring the movement here.

Youth Hostels have for years been widely prevalent in European countries, especially Germany, and there are already 110 in the United States, with California boasting five.

**OVERNIGHT STOPS**  
The Youth Hostel is an overnight stopping place usually located in the scenic wilds and providing a place for young hikers or bicyclists to cook, eat, sleep, and bathe at negligible cost. The purpose of the movement is to help youth to a greater knowledge and understanding of the world by assisting it in its travels both here and abroad. The Hostels are well supervised by both a house mother and house father. Travelers furnish their food and the cost at any Hostel for one night is 25 cents.

**\$1.00 FEE**  
A small membership fee, \$1.00 for persons under 21, \$2.00 for older members, gives hostellers an AYH pass which entitles them to stay at any Hostel here or in Europe. Passes are given to the house mother at the time of registration and returned the next morning unless the traveler's conduct has been undesirable. Hostels are not to be used as long-time camping places but as stopovers.

(Continued on Page Four)

## SOPHS TO ELECT CLASS OFFICERS

Election of officers will be the main business at the first meeting of the sophomore class today at 11 o'clock in Room 24.

Plans will be discussed for the Soph dance to be held soon, and class activity will fall into swing once more.

Acting president Harvey White urges that all members be present.

## Class Prexies, Council Members Must Have Snaps Taken At Once

All class presidents and student council members are urged to have their individual snapshots taken immediately by the La Torre photographer.

January 20 is the deadline for pictures to be taken, stated Van Horn, editor of the yearbook. Arrangements may be made by posting notice on the La Torre bulletin board in the Publications office.

VOL. XXVI SAN JOSE, CALIFORNIA, THURSDAY, JANUARY 6, 1938 Number 57

## Betty Bruch

Miss Betty Bruch, named the first woman of the San Jose State college campus, is shown here. Betty is the lone woman member of the student council and led the balloting at the elections last spring. Although at present she is student teaching, Betty will be back next quarter to continue her duties on the executive governing council.

## FOR CAMPUS WOMEN ONLY

## Thru Clothes DOORS

By PATTY BLACKWOOD

Now that the FESTIVE season is over, we can at last settle down and begin to plan our SPRING wardrobe without having to nurse a headache at the same time; for SPRING isn't far off either, and many of the stores already are showing GAY prints—along with early STRAWS, which is a sure sign that 1938 is starting off with a bang.

To me, with a quick survey of things in general, the colors this season are to be vivid and DARING, and styles will cater more than ever, to the COLLEGE girls—if you are young and ACTIVE, luck is with you. Fashions will be cut deftly to assure perfect fit, with lots of tricky little dodads in the designing. Outstanding fabrics will be CREPES? SHEERS? (you can drag out last year's and easily make it over) PRINTED LINENS, and SEER-SUCKERS.

STYLISTS say that clothes are to be SOPHISTICATED but YOUNG. (that ought to please many a campus co-ed.)

It seems that regardless of the season, rain or shine, Mexican Hurachas are always in vogue with the male population as well as the women. Of course one has to remember that the Mexicans wear these intriguing sandals all year around; however, here practically in the dead of winter, one may

## Janice Jayet

Janice Jayet, popular Allenian and president of Inter-Society Council, who will be among the many San Jose Staters present at a formal dance to be held on Saturday evening at San Francisco's Whitcomb Hotel. The affair will inaugurate social events for the quarter.

—Photo courtesy Mercury-Herald.

CAMPUS SOCIETY WILL DROP SECRET PASS WORDS AND JOIN IN PRESENTING THE INTER-SOCIETY DANCE WHICH WILL BE HELD SATURDAY NIGHT AT THE HOTEL WHITCOMB IN SAN FRANCISCO.

THE BALL WILL BE THE FIRST FORMAL FUNCTION OF THE FALL SOCIAL SEASON HERE AT SAN JOSE STATE COLLEGE, AND IS INVITATIONAL.

The dance will mark the attempt of presenting a dance both the sororities and the fraternities. The purpose of the dance is to foster closer social relationships between the two campus groups.

Carvel Craig's nationally known orchestra will play, and numbers will be given by Combs Marvin and Eddie Pierrro. Most interesting intermission number will be presented.

Janis Jayet, president of inter-society council and Jack Gruber, president of inter-fraternity council, are in charge of arrangements for the ball. They are being assisted by Barbara Spaulding, Jane MacGowan, Robert Tonkin, and George Chambers.

Inter-society council is composed of the six campus sororities: Allenian, Beta Gamma Chi, Epsilon Phi, Phi Kappa Pi, Kappa Sigma, and Sappho, combined with the three fraternities, Sigma Gamma Omega, Alpha Pi Omega, and Delta Theta Omega.

Next week I will give you a more definite idea as to what the Spring fashions will be like.

## Ski Season Starts

By MARY FRANCES GURNEY

The Spartanette Skiing season was started by a group of enthusiastic sportsters last week-end at Twain-Harte. Nattily and wisely clad were these brisk looking co-eds.

Their expert equipment was typical of the smartest sports women of the present day. It combined beauty with practicability. When actually skiing, stiff-soled ski shoes were worn. The grooved heels and thick soles make these the outstanding foot equipment... if one really intends to ski. Of course, if you're merely romping about in the snow there are several other types to be worn. Another wise choice of this group was to wear bird-cloth gloves over their mittens to keep hands warm and dry.

Black and Kelly green were cleverly combined in the ski trousers and jacket worn by Frances Haas. Looking very much like a Laplander with her blonde tresses peeking out beneath a Parka hood, she seemed to be enjoying herself immensely. Green mittens and heavy woolen socks matched the suit.

Jean Franklin chose navy trousers as the foundation of her ensemble.

A white turtle-necked sweater, hat and scarf accented the costume.

Waterproof airplane cloth was the material used in the creme jacket of Virginia Tompkins. It topped a pair of Kelly green trousers. Incidentally, this fabric is one of the best because snow will not cling to it.

A Swiss Alpine hat in navy with red featured the outfit which was worn by Nano Prindiville. Both she and Barbara Spaulding chose suits of navy and red.

Truly capricious was Dorothy Wagner in her grey and red gabardine suit... on her hands grey mittens... on her head a grey visor-cap.

For after skiing hours while everyone relaxed with a book or at a game of contract before a sparkling fire the predominating costumes were warm skirts and sweaters.

## NOTICE

Will the following members of Rainbow club please meet me in Mrs. Mathews' office at 12:30 Thursday noon: Marjorie Karstead, Edith Daily, Verna Lee Hanford, Audrey Allen, Frances Durnberger, Kay Scrivner. —Marion Smith.

## GYM JAMS

By MARY MONTGOMERY

Miss Tucker wants a plug for the new ventilation fan in the pool dressing rooms. Says Miss Tucker, "No more 'mugginess' in the dressing rooms. The rooms are heated, the pool is warmed, and the whole set-up is ideal. We have the best hairdryers in town. You can dry your curls while eating your lunch under them and it doesn't cost you a cent." All this by way of inviting you to come out to recreation swimming which is open to any woman in college who has a cap.

The hours are noon (12-1) on Tuesday, Thursday and Friday, 3 to 4 on Friday and Monday nights 7:15 to 9. Even if you "swim like a rock" you are perfectly safe as a qualified life guard is on duty at all times.

You can do as you wish in the pool. Come any time, leave when you get ready and sit and dabble your toes all hour, if you want. If you're fat it will smooth down, if you're skinny it will give you an appetite that will put on the avoirdupois. What more could anyone ask?

The long neglected fencing club

will get under way today under Mrs. Willson. You don't have to know how to fence to join.

Norma Fammatre, Jr. class representative conducted the P. E. majors meeting Tuesday night. Beria Gray led songs dealing with hump-backed camels and posture, that being the junior majors' current craze. A speech by Mrs. Walsh who was a P.E. major herself was enjoyed by all. A humorous skit, also dealing with posture was presented by the juniors.

Delving into the dim, dark past we discover that the sophomore majors had a formal dinner last Sunday night which was a roaring success. Miss Tucker and Alice Starry were co-hostesses. Dean Dimmick was a special guest. Correk-shun! Although the dinner was a great success, Alice insists that there was nothing roaring about it. Oh well.

Clare Wherstadt's newest and most ardent suitor is something like eight years old, freckle-nosed and carries a gat on his hip. His

RAINBOW CLUB TO  
INSTALL  
NEW OFFICERS

Members of the San Jose State college Rainbow club will gather tonight at 6:30 in the Gold Room of Hotel Sainte Claire for the formal installation banquet.

New officers of the club will take over their duties tomorrow. Mildred Lingscheid, successor to Kay Scrivner as president, The Skog will act as vice-president for the winter quarter. Dorothy Mulady has been elected secretary-treasurer, Audrey Allan has been chosen as historian, and Lee will act as publicity director. Darr of Santa Cruz will be present.

All Rainbow girls and friends are invited to attend. Heading the committee for the dinner is Marian Smith, assisted by Edith Dailey, Vern Lee, and Winifred Mooming. The name is Donald and he is looking about the door of the gym department of all who enter, "Welcome to the Sainte Claire?"

## STOCKTON QUINTET WILTS BEFORE SPARTAN BARRAGE; BENDEICH SCORES FIFTEEN

Coach Hubbard Uses Entire Squad As Locals Point For Conference Opener At Auditorium Friday; Radunich, Smersfelt Collect Ten Apiece

By FRED MERRICK

Coach Bill Hubbard's Spartans applied the final touches to their practice schedule last night, polishing off the Stockton Amblers 69-41, and turned their attention to the conference game with Santa Clara tomorrow night.

For exactly nine minutes, the Amblers made a game of it, but from there on they were hopelessly outclassed as the Spartan exhibited their best form since the Stanford game last month. The Amblers took the lead soon after the start of the game and led through eight minutes of fast play. At that point the locals swung into stride and were never headed as they rolled up the score.

### HALF-TIME 29-20

Half-time found the Spartans leading 29-20 but the start of the second period saw them build up this lead to 48-28 mid-way in the closing half. Coach Hubbard sent in an entirely new squad at this point, but this five only continued to add to the score.

Jack Bean, Ambler forward, poured sixteen points through the net to edge out Charlie Bendeich for scoring honors. Bendeich scored fifteen to lead the Spartan attack while Smersfelt and Radunich garnered 10 each. Johnson and Hodgson netted eight apiece.

Encouraging to Coach Hubbard was the showing of the State five on defense. The work of Thomas and Radunich in taking the ball off the backboard was a bright spot of the game.

The game was fast and clean with twenty-one foul being evenly divided between the two teams. Ten were allotted to San Jose while Stockton collected eleven. The majority of these came in the second half as the Amblers attempted to stem the stream of baskets which the Spartans poured into the hoop.

Hubbard again used the entire squad in an attempt to discover his best team for the Bronco game. The task only became more difficult as the last five men looked almost as potent as the opening quintet.

medicine. Too late however to win the fight.

At the end of this battle the decision went unanimously to Walker and the fans left saying, "I wonder what would have happened in a longer fight."

## Trio Of Heavies Top All-College Ring Tournament

Walker, Radunich, Presley May Mix For Title

Heavyweights Don Walker, Bill Radunich, and possibly Don Presley at the present time appear to constitute the largest question mark in the All-College boxing tournament to be held January 13. Just which one of these boys will end up winning the All-College gold medal, and which ones will enter seems to be indefinite. However, all fans seem to have a definite opinion as to what will happen. No matter who meets who, as long as it is any pair of these three lads, they claim there will be one hectic fight.

### WALKER TOPS TRIO

While Radunich and Presley have never traded blows within the squared circle, Don Walker, top ranking Spartan heavy for three years, has met and defeated each of the other two big boys. But, local fans insist, these previous fights mean nothing.

Walker met Presley in the All-College last year and won a decision that was satisfactory to almost all fans. The 235 pound gridiron star bowed to the ring knowledge of his more experienced adversary. Some who witnessed the battle however, claim that the decision might just as well have gone to the "Moose from Monrovia". Others went so far as to claim the decision was a bad one.

### DON VS. WILLIE

Later in the season the student council's gift to boxing met Bill Radunich in the finals of the Junior PAA tournament in San Francisco. This time Walker ambled out to the center of the ring and slugged his opponent to a semi-conscious state. Radunich came back later in the fight to hand Walker a wee dose of his own

## CAPTAINS CAGERS

Captain Frank Carroll is shown in some-what the pose he will take when Coach Bill Hubbard's Spartans tangle with the Santa Clara Broncos Friday. The game will be the first conference engagement for the San Jose quintet and will throw some light on the strength of the Washington Square five in comparison with other conference teams. —Photo courtesy San Jose News.

## TENNIS SQUAD TO MISS TRIO Expect At Least Fair Team

"We will sorely miss three top-notchers from last year's squad but we expect to have at least a fair team this coming season," was the statement made yesterday by Tennis Coach Erwin Blesh in answer to an inquiry about net prospects.

The three varsity men referred to by Mr. Blesh are George "Chutch" Rotholtz, Harold Kibby, and Forrest Brown, the first three players on last season's championship aggregation, all graduated.

Coach Blesh also announced that a meeting of officials of the Northern California Intercollegiate Tennis Conference would be held in San Francisco in the near future to draft the conference schedule. After that, he said, the Spartans will negotiate for a number of practice tilts with non-conference schools, including a match with the Stanford junior varsity.

Local officials, Mr. Blesh indicated, would make an attempt to have changed a ruling compelling a playoff between the two leading teams at the end of the schedule, regardless of the standing of the second team. Last season the Spartans, twice victorious over every other team in the conference, were forced to meet a thrice-defeated

## WRESTLERS PREPARE FOR '38 CAMPAIGN

Wrestling coach Gene Grattan is nightly rounding his grunt and groan performers into shape for their first meet of the season scheduled for January 14.

Led by Captain Martin Olav-arri, who will compete in the 135 pound division, this year's wrestling squad gives promise of developing into one of the strongest on the coast. Grattan has some top-notch men competing in the heavyweight and 175-pound classes, but admits that he could stand a few more contestants in the lighter divisions.

John Jones, Far Western Conference heavyweight king, is back to the wars and will make it tough for opponents this year. In the 175 pound class Grattan believes Jack Smith will turn out to be his prize pupil. Smith is 175 pound champ of Southern California.

University of San Francisco team in a championship playoff.

## Frosh Thump Rodeo A. C. 64-19 To Win Seventh Straight Cage Tilt

San Jose's frosh basketball team ran its win streak to seven straight last night as the first year men repelled the threat of the Rodeo Athletic Club, 64-19.

Playing a four man defense, with a man in the hole, the frosh ran the score to 14-0 in the opening 13 minutes before allowing the A. C. team to tally. Then they tightened again and at half-time led by a 24-3 score.

Hal Carruth, spotted in the hole, collected high honors for the game with 16 points, while Milt Bachman, also stationed in the spot, added ten points.

Outstanding on defense for the yearling squad was Lakin, who

turned in a nice game at the guard spot.

Santa Clara will be the next opponent for the State freshmen.

## CAL POLY SIGNS TO MEET CAGERS

Cal Poly of San Luis Obispo was scheduled yesterday to fill the open date on the Spartan basketball schedule January 12.

The game, which will come between conference engagements with Santa Clara and the College of Pacific, will be played in Spartan Pavilion. The tip-off will be at 8:00 p.m. The San Jose frosh will meet Menlo Jaycee in a 6:30 preliminary.

## SPORTS

### Merrick-go-Round

By FRED MERRICK  
Spartan Daily Sports Editor

Their practice schedule of an even half dozen games completed, Coach Bill Hubbard's hardwood quintet await tomorrow night's game with their natural cross-town rivals, the Santa Clara Broncos.

In defeating the Stockton Amblers last night the Spartans wound-up the pre-conference series with a record of five wins against a single loss. Toss out the defeat at the hand of the Pacific Coast Conference champs, Coach Bunn's Stanford Indians, and the Washington Square team has a perfect record. Even keeping the Stanford game on the books the Spartans have a good record. Luisetti and Co. went through a busy evening before they collected a 45-38 victory from the locals.

In the remainder of the practice games the Spartans had their own way and breezed through opposition in an easy fashion which allowed Coach Hubbard to shift his men about. This constant shifting has had some effect on the team play but not enough to harm. Now with the conference schedule opening Hubbard must seek his best five men, a hard task, each man on the squad of fifteen players having desirable qualities and potentialities.

The only real handicap to the local team during its practice season has been the inability of the players to make any percentage of their tip-in shots under the basket. Hubbard, realizing the advantage which a better percentage of these shots would give the Spartans, has had his squad practicing on this phase of the offensive game.

Press releases drifting down from Moraga way state that the Gaels will not only be a colorful team with their new game togs, but will also be prepared to defend their NCIBC championship which they won last year. Losing only "Rocket" Rockwell, leading scorer of last year's team, St. Mary's is expecting to repeat again this season.

College of Pacific backers are also singing the praises of their team which they believe has the "makin's" this year. Here at home we hear of Santa Clara with its "Hot Toddy" Giannini. The Broncos also expect to end up near the head of the column, but how can they when State backers are placing the Spartans there?

The latter part of next week will offer sport fans another near-capacity week. On Wednesday evening the State five will face Cal Poly in a non-conference contest in the local pavilion. Thursday night the long awaited All-College boxing championships will be held and on Friday night the Spartan quintet takes on its second conference opponent when College of Pacific invades the Spartan hardwood court.

## New Dance Group In Initial Meeting

Men Enjoy Themselves Executing Dance  
With Virility, Power; More Males  
Expected To Turn Out

### MEETINGS

#### Spanish Club

Scheduled for last Wednesday night the Sigma Delta Pi meeting was postponed due to lack of transportation means to get to the home of Angela Hernandez in Sunnyvale. However, the members of the Spanish honor society plan to hold the meeting sometime next week at the home of Miss Meta Goldsmith.

#### Italian Circle

All new and old members of the Italian Circle are urged to be present at the first meeting of the quarter to be held tonight. The meeting will commence at 7:30 at the home of Florence Gurgio, 756 East Taylor street.

## Youth Movement Begun Here Tuesday

(Continued from Page One)  
OTHER HOSTELS

In New England there are Youth Hostels located on waterways so that campers may travel by canoe or boat. Most of these Hostels are also reached by horseback, bicycle, or on foot.

The five Hostels in California are located between the S. F. Bay Region and Monterey Bay. They were opened last summer when they were visited by two German Youth Hostel groups under adult leadership and by a group of New Englanders.

The meeting Tuesday will be held at 11 in the Little Theater. Movies picturing Hostel life will be shown at that time. All students and interested persons may attend the meeting.

Displaying unusual skill in the techniques taught, 15 men opened the newly formed dance and skills class for men, according to Miss Marjorie Lucas who with Mrs. Virginia Jennings conducted the group in its initial meet last night in the women's gym.

"The men showed much virility and power," stated Miss Lucas, "and executing every technique with comparative ease, really enjoyed themselves. The lesson was completed with a series of falls."

Men were present from all four grade classes, and almost every department was represented. Outstanding personalities were Norman Berg, James Clancy, and Bill Jennings.

The second meeting will be held next Tuesday, and Miss Lucas expects an even larger turnout of men.

Accompanist last night for the group was John Andrews, well-known music student.

## Home Ec. Notes

Mrs. Marion Seliz is substituting full time this quarter for Miss Velma Hamilton, clothing instructor of the Home Economics department who is seriously ill in a hospital in Idaho. Last quarter Mrs. Seliz taught part time for Miss Hamilton.

Under direction of Miss Claire Shafer, the Home Economics club met last Monday and undertook business concerning the club for the new quarter. Plans were made for the club's taking part in the proposed group meeting on the campus.

Miss Pauline Lynch of the Home Economics department was recently appointed chairman of the auditing committee of the Home Economics department of California. Miss Gladys Nevessel of the San Jose State faculty is also a member of the committee.

## 'Speed Is What I Like' Declares Mary Sawyer After Completing Solo For Amateur License

### GIRL AVIATRIX IS ENGINEER MAJOR

Instructor Gives Praise  
To Young Flyer; Has  
Qualifications

Mary Sawyer, San Jose State college's only engineering major, likes speed.

"Anything that goes fast is what I like," she says. During the Christmas holidays, while most students were recuperating from the final examinations, Miss Sawyer completed her solo flight for the amateur pilot's license, thereby permitting her to use the airplanes in her search for fast travel.

According to Mr. Frank Petersen, aviation instructor, she has almost perfect co-ordination, which in plain English means that she has all the qualifications of a good flyer.

Although her hobbies run mostly in the masculine line, she still holds dear one feminine attribute. "I really like to cook almost as much as I like to fly," she stated.

## Airways Are Byways...

... for Mary Sawyer, San Jose State College's only girl engineering major now that she has her amateur pilot's license.

taking it from the middle of a 15-foot piece of lumber.

Once co-eds learn how to drive screws with a screw-driver instead of a chisel, and to drive nails with hammers instead of a T-square, Instructor Benjamin W. Spaulding states, they're well on their way toward building visual aid exhibits suitable for school use.

Oddly enough, girls, once interested in the work, make much faster progress than their male competitors in the same class, Mr. Spaulding testifies.

#### NEW FENCING CLUB

A fencing club will be formed in the women's gym today at 11. All men and women students are eligible. Equipment will be furnished. Meetings may be held at night, so if you have a class at that time leave your name with Mrs. Willson in the women's gym.

#### A.W.S.

Plans for the coming A.W.S. assembly, scheduled for the Morris Dailey auditorium, will be discussed at a special Associated Women Student's council meeting today at 5 o'clock in Room 20.

The meeting will be presided over by Virginia Perry, president of the A.W.S.

#### PRE-MEDS

Mr. William P. Butler, manager of the San Jose hospital, will address the Pre-Med students Thursday, January 6, at 11 o'clock in Room 107.

A date will be set for a visit to the San Jose hospital. President Walter Anderson asks that all Pre-Med student be present as this will be one of the most important meetings of the year.

#### Rainbow Club

Mildred Lingscheid will be installed as head of the Rainbow club at a banquet tonight at 6:30 at the Hotel Sainte Claire.

All Rainbow girls are cordially invited to attend, according to club members. Those planning to attend must sign up on the main bulletin board before 4 o'clock this afternoon.

## Carpentry Class Teaches San Jose State Co-eds To Pound Nails 'n Things Safely

### This Women's Place...

... is in B. W. Spaulding's carpentry class where she is learning to wield a hefty hammer without "choking" it, which if you are interested, means holding it too close to the head.

### SPAULDING GIVES PRACTICAL HINTS

Girls Learn To Wield  
Tools In Visual  
Aids Class

By BART MAYNARD

No longer does the feminine teacher have to call upon the biggest boy in the class to do a little masculine work of carpentry. Fixing her chair, or nailing the front door of the little red school is no longer the chore of one who is a master with wood-working tools, because most of the budding school marm of this institution are now taking a course which will enable them to meet such emergencies themselves.

Now the little instructor of education in the one room country school will be able to build a copy of the Treasury Building, the Washington Monument or in a tight spot, be able to build the "proverbial" woodshed, if necessary, in the back of the school yard.

This is all due to such courses as "curriculum activities" at San Jose State, where student teachers learn how to wield a hammer without "choking" it and how to cut a six-inch strip of board without
